

Estimated provider:

In accordance with the Integrated Management System that we have implemented in our company, we inform you that once a year the performance of your activity will be subject to evaluation for us.

This evaluation will be made based on the positive and negative incidents registered in our System, taking into account some parameters that are defined in internal procedures.

If you wish to receive more information regarding the evaluation system, please do not hesitate to contact us.

Without further, receive a best regards.
